How Can You Help?

Sponsor An SBC Member!

It costs approximately \$1000 a year for a young man to participate in all the program activities. These fees include educational/recreational field trips, National Conferences, uniforms, the application fee, as well as additional funds to help the families with travel costs.

By sponsoring one of our DOS Sigma Beta Club Members, you can help alleviate the costs to their families and give them an experience they'll never forget. All donations are tax -exempt and recorded by the D.O.S. Crescent Foundation Inc.
